

Uppercase & Lowercase Matching Cards

These cards are designed to help your child practice matching uppercase letters to lowercase letters. There are 14 pages of alphabet matching puzzles with four cards on each page. The set also contains a full set of flashcards {without the gray line for cutting} that can be used either as a control or as a flash-card.

Each card shows the uppercase letter in the top left corner and the matching lowercase letter in the bottom right corner. There is a picture starting with that letter in the middle. The puzzle cards have a faint gray line for you to cut them in half and have your child match the upper/lower case letters together, using the pictures as a clue.

Print the sheets, cut and then laminate to make them more sturdy for younger children.
